The Florida Department of Health Tanning Facilities Program would like to thank you for your interest in becoming a tanning certification provider. Upon completion of my review of your course materials it gives me great pleasure to add you to the listing of approved tanning certification training providers for the state of Florida.

SunFocus Training is approved to offer on-line tanning certification courses.

It is requested that whenever you provide your course for Florida that you send me a copy of the individuals who passed the exam so that we may add them to our database.

Please provide information as to how you would like for potential customers to contact your company, include company name, phone, and web address. This information is needed so that your company can be added to our listing. Please submit as soon as possible.

If I can be of any further assistance to you please do not hesitate to contact me at Vakesha_Brown@flhealth.gov or (850)245-4444 ext. 2492.
